

EURAXESS WORLDWIDE

stay in touch with Europe
wherever you are

EURAXESS Worldwide is a multidisciplinary networking tool supporting researchers working outside of Europe who wish to connect or stay connected with Europe. EURAXESS Worldwide offices are located in ASEAN, Latin America and Caribbean States (CELAC), China, India, Japan and North America (the US and Canada).

Keep yourself updated about opportunities in Europe

The EURAXESS Worldwide website and newsletters provide a regular flow of up-to-date information on European research policy, research funding and collaboration opportunities and career opportunities in Europe and partner countries.

Benefit from networking and collaboration opportunities

Participate in networking and training events in EURAXESS Worldwide countries and get in touch with other European researchers. EURAXESS Worldwide also organises information sessions on the opportunities for cooperation with, and career development in Europe.

JOIN EURAXESS

Create your account at the EURAXESS portal and benefit from the personalised information flow and extended networking opportunities.

EURAXESS

Researchers in Motion

EURAXESS is a unique pan-European initiative delivering information and support services to professional researchers regardless of their career stage. Backed by the European Union and its Member States, it supports researcher mobility and career development, while enhancing scientific collaboration between Europe and the world.

EURAXESS services in a nutshell

- 15 years of experience in providing information and support services for researchers in, or wanting to stay connected to Europe.
- The largest European network supporting researcher development with 500 EURAXESS centres across Europe.
- EURAXESS Portal gathering up-to-date practical information on researcher's careers and mobility across 40 countries.
- Outreach to researchers in 6 global research hubs through EURAXESS Worldwide offices.
- Services available free of charge to all researchers regardless of the sector in which they work.

Better working conditions for researchers

EURAXESS actively contributes to better working conditions for researchers through assisting research institutions in implementing the **HR Strategy for Researchers** and confirming the alignment of their HR policies with the principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers.

HR EXCELLENCE IN RESEARCH

EURAXESS PORTAL

world of information at your fingertips

Whether you are thinking of taking your research to an international level or giving a boost to your career at home, the EURAXESS portal is an excellent starting point.

Search for new job & funding opportunities

EURAXESS Jobs & Funding Databases include thousands of vacancies, fellowships and hosting opportunities in all research fields in Europe and other regions of the world. Use of the databases is free of charge.

Find answers to your questions when moving to a new country

The EURAXESS portal offers a comprehensive collection of practical information on living and working as a researcher in 40 European countries.

Connect with employers and other researchers

Register at the EURAXESS portal for free. Fill out your profile to be found by recruiters. Or become a research buddy for refugee researchers through **Science4Refugees**.

Explore the collection of resources that will help you to navigate through your career

The **EURAXESS No Limits tool** and other useful resources help you to identify what is important for your career, explore your career options and plan your professional development to reach your career goals.

EURAXESS CENTRES

personalised assistance across Europe

Professionals in more than 500 EURAXESS centres in 40 countries are ready to help you.

Free relocation advice

Get free information and **practical assistance on mobility-related issues** such as entry conditions/ visas, departure formalities, recognition of qualifications, social security, taxation, health insurance, medical care, accommodation, banking and more.

Networking opportunities for you and your family

EURAXESS centres organise events and activities for international researchers. Researchers' partners also matter to us: some of the EURAXESS centres offer career services and networking opportunities to researchers' spouses (**Dual Career Service**).

Support for your career development

EURAXESS staff will help you navigate resources for exploring your existing career opportunities and possibilities for professional development.
