Declaration of Commitment to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

MF Norwegian School of Theology in Oslo hereby signs and declares commitment to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

As members of the Norwegian Association of Higher Education Institutions we already have expressed our intention to support and implement the elements of the Charter and Code.

We want to underline this by signing the Charter and Code as institution, and thus work for the implementation of the principles laid down in the declarations.
